If you are staying at a nearby B-&-B, breakfast will most likely be served about 8:30 am. We have scheduled classes to begin at 9:30 am, so there is plenty of time to eat leisurely and not have to rush to get to class on time.

### **Morning Session of Classes**

9:30 am until 12:30 pm

***\*\* If you are registered for Anne Mitchell's class this morning, you will begin one-hour earlier at 8:30 am.***

***You should make arrangements with your inn host to prepare an early breakfast for you. \*\****

### **Lunch**

12:30 pm until 1:30 pm

Henkel Hall

If you signed up for our catered meals, they will be served in Henkel Hall. If you prefer to bring your own lunch, please still join us, and we can all eat together!

### **Afternoon Session of Classes**

1:30 pm until 4:30 pm

***\*\* If you are registered for Anne Mitchell's class this afternoon, you will end class one-hour later at 5:30 pm.***

***If you are joining the group for dinner at Royer's this evening, don't worry - the restaurant is right across the street, and we will save a seat for you! \*\****

### **Dinner**

5:30 pm until 7:00 pm

Royer's Café

Round Top

Bud Royer and his family have been serving dinner at The Cafe since 1987. It's one of our favorite restaurants in all of the places we've traveled in the US!

No kidding!

Right across the street from Henkel Hall, it's within walking distance from our classrooms.
