TERRACE LEVEL EAST

All of our Vivi Magoo classrooms will be located on the Terrace Level this year and easy to locate!

Enter the Lobby and head down the stairs to the lower level. At the foot of the stairs, turn right (past the restaurant hostess stand), and you'll see our Terrace Foyer. The classrooms will be located off the Terrace Level Foyer.

One exception is Finger Rock III.

It's still down the same stairs to the Lower Level, however, at the foot of the stairs, turn left and head down the hallway to the Finger Rock Foyer.

You'll find Finger Rock III on the left side of the hallway – the first classroom on the left as you pass the restaurant
